

Office Upholstery

Technical Specifications

Overview	Milliken Specialty Interiors designs and manufactures its fabrics to please both the eye and the body. The solutions, whether on side chairs, sofas or lounge furniture, invite you to sit and, ultimately, help you stay comfortable no matter what you're doing. But they offer more than a good "hand", the fabrics are designed to meet your requirements — from flame- and abrasion-resistance to crocking and UV performance — while imbuing your workplace with the warmth of home.
